

DISTRICT 6900 NEWS FOR OCTOBER, 2019

Thanks for All You Do!

From Our District Governor

By Jim Super

Dennis and I have been enjoying the whirlwind that is part of being your District Governor. The work you are doing in our communities and the world is amazing - and this newsletter offers all that is happening throughout the district.

In the last few weeks, our End Polio Now efforts were highlighted at the Health Symposium organized and hosted by the **City of Emory-Citizens**, supported by a grant tournament hosted by **Lake Spawton Clayton County** as well as a great night of fellowship at the Atlanta Braves game - where the Braves lost but Rotary won - with a \$2500 contribution from the Braves toward ending polio that equaled its \$7500 to the Gates Foundation level. We will share more news about our success over the next few weeks.

The Rotary Foundation
Who Spends the Money You Donate to the Annual Fund?
By: Cheryl Greenman

Answer – you and other Rotarians. In short, only Rotarians decide how to use the money. When you donate to the Annual Fund, half the money comes back to District 6000 three days later to be used for our Rotary Clubs, Global Grants, and Global Scholarships. The rest remains for The Rotary Foundation to provide matching funds for Global Grants. No charity or other organizations can apply to use Rotary Foundation for funds. No board of trustees looks at the money and decides how to distribute it. Gifts to the Annual Fund, also known as SHARE, are the primary source of funding for a broad range of local and international grants that change lives. We thank you for the support that you provide for a District Grant this year! The Rotary Club of Moultrie shares in this newsletter about its grant that helped a local elementary school. How has your club made a difference in your community through grants?

GRSP: An Experience of a Lifetime

By Lynn Clarke

I had never been abroad for a long period of time before. Despite that, I did not hesitate when I, almost a year ago, found out that I had been offered the Georgia Rotary Student Program scholarship. I was not completely sure what I was expecting from my year far away from home. I was certain I was going to miss my family, but I was also sure that this would be a one in a lifetime opportunity for me. I figured I would have experiences that would make a difference in all my future endeavors, but not taken into account for me people I would meet.

By Mark Barbour

Let's review. The call for all good and VIBRANT Rotarians is to be rigorously dedicated to **take action to create lasting change** – across the globe, in our communities, and in ourselves! So, our objective is to be **Relational**. Opportunistically oriented, and yes, vibrantly Transformational! Herby, thereby, and whereby **promoting** our Relational objective to connect with folks around us intentionally by using animated, articulated, and engaging conversations about who we are and what we are and who we are who we are and what we are ensuring that every acquaintance experiences our "Rotary Glow" and gains insight about our ideals of community, regional, national, and global service. Moultrie Gives Face Lift to Local School

By Jaclyn Denton

The Rotary Club of Moultrie recently completed a beautification project at the main entrance of Cox Elementary School. One of ten elementary schools in Colquitt County, and on the lower income scale compared to the rest, Cox Elementary had a first entrance with a less-than-desirable appearance. Since first impressions are extremely important, the faculty and staff desired a better first entrance image to receive visitors and students entering the school. Six Moultrie Rotary members in July, with help from a Rotary 6800 grant, gave
